### **Quality Assurance for Non Academic Student Services Motion**

#### **Congress Notes:**

The current lack of quality assurance systems with regards to an Irish National Policy Framework for non academic student services provided by the third level institution, such as health centres, counselling services etc.

#### **Congress Further Notes:**

The importance of quality assurance with regards to non academic aspects of student services.

#### **Congress Recognises:**

The value of the overall student experience within the higher education system in Ireland.

#### **Congress Mandates:**

The President and the Welfare Officer to lobby the Higher Education Authority and the Department of Education for the formation of a non academic student services policy relating to quality assurance.
