Each year we get valuable insights which help us to improve the student experience in these areas. Students who participate are in with a chance of winning one of two pairs of Apple Air Pods.</p> <p>Facilities – Update – A new log in weblink has been set up so students can log issues because from time-to-time issues will arise in your Building or campus that needed to be fixed immediately; it might be a broken door, seat, window, issues with bins, toilets, outdoor seating – anything to do with the physical environment that isn't working correctly, and it can be annoying, unsafe, uncomfortable, or even dangerous.</p> <p>Fixing these are the responsibility of the local Estates team and to do so they need to be informed and the issue logged correctly and quickly. The more people – students and staff – who log issues the sooner they will be fixed. To log a complaint to Sodexo please click here for new Log in Web-Link and for further information regarding this please click here.</p> <p>We want to make sure that these issues are resolved quickly and properly so you can email advice@tudublinsu.ie also and we will follow up as well.</p> <p>Common Rooms</p> <p>The President has submitted a proposal on how the common rooms can safely return, with a hope that they will reopen shortly.</p>
