Key Points Since Last Meeting

Príomhphointí ón gcruinniú deireanach

Student Council Handbook:

One of the mandates that the Deputies were given were to create a Student Council Handbook. Myself and the other two Deputies worked on creating a guide to Student Council since it can be quite confusing both for newcomers and current councillors. Hopefully you can follow it along and it makes everything a lot clearer!

Meeting with Finnish Student Housing Providers:

The Deputy President of City Tallaght and myself met with members of the Finnish Student Housing Providers, some of whom are members of the Finnish Parliament, to talk about the current state of student accommodation in Dublin on the 22nd of August. We spoke on what are the needs for students and how students are struggling to find affordable accommodation. The Finnish Student Housing Providers took on what we were saying and were to take our points on board once they start their projects in the coming years.
