

Dear Student Council,

I'm writing to inform you of the assignment of the position of Deputy President. The role of the Deputy President is to act in the best interests of the Union, on behalf of the President, should they be incapable of carrying out their duties for any number of reasons. Day-to-day, the deputy president takes over standard duties like voting rights in National Council in the absence of the President. On this basis, I have assigned James Curry, Deputy President of Tallaght Campus, as the Deputy President of TU Dublin's Students' Union for 22/23. Should student council have any questions on this assignment, either the President or Deputy President nominee will be happy to elaborate.

*Brian Jordan*  
*TU Dublin SU President*
