Key Points Since Last Meeting

Príomhphointí ón gcruinniú deireanach

- **Freshers**

Freshers was held over two weeks (3rd-14th October) and overall went quite well. There was some issues with the Shack regarding microphones but other than that the student engagement was really good and everyone seemed to enjoy themselves at the various events.

- **Student Walkout**

The national student walkout was held on the 13th of October. I was helping raise awareness that this was happening via social media and telling people to encourage their class to join in the movement. The walkout was a great success and got some great coverage, the message was most definitely received despite it only lasting about 30 minutes. It was great to see students come together for a cause that affects every one of us.
