“Voting in Union Elections is by secret ballot by means of the single transferable vote, as per the Electoral Acts, with the exception of Class Representative and School Representative elections, which shall operate in a manner as decided by the Electoral Commission”

As a democratically led organisation, it is imperative that we fulfil all our obligations under the Constitution, to ensure that our democratic base is in place and working effectively to enable full participation and engagement of our membership.

Students may only be able to run for positions, and vote in elections if they are registered students, as defined by the University (Constitutional Article 4.1).
