Key Points Since Last Meeting

Príomhphointí ón gcruinniú deireanach

- *Student council training:*
The student council training took place on Monday the 24th of October and was a great experience to have. We were shown how the council usually runs, given an example of a motion and the opportunity to create our own mock motion.

Student council.

The first student council meeting was held on the 26th of October and was my first ever time in student council. It was great to see how things were run in real meetings. It was also the council meeting that voted through the new referendum which was great.
