Key Points Since Last Meeting

Príomhphointí ón gcruinniú deireanach

Spill da T:

Olivia and I set up Spill da Tea and I met some more Aungier street students.

Student Council meeting:

On Wednesday, the 30th of November in Bolton street we discussed the activity in the SU and Motions by student council members.

Planning:

I layed out my areas of focus: improving student life on Aungier street, student life in BIMM, campaigning for sustainability in TU Dublin.

Poster:

To thank students for voting and to be more visible to the students I made posters to put up around the campus.

Make spare rooms available to BIMM Students:

There are Media rooms in Aungier Street that are currently not being used. I want to make the recording studio, film studio, radio room and the soundproof ,black box theater' available to BIMM students as the rooms would be of good use for them.

Sustainability:

In my role I want to find out what TU Dublin does when it comes to sustainability and what can be improved. Therefore I set up meetings with the the Sustainability society chairperson, a USI representative and the new head of sustainability Brian Gormley.
