*Príomhphointí ón gcruinniú deireanach*

**WTF:**

We gave out goodies from the students union and explained how the SU can help them. Furthermore I joined the Aungier street careers fair and met more of the staff of Aungier street.

**Student Council meeting:**

We discussed the activity in the SU and Motions by student council members. The Student Councilors voted in favour of the climate motion.

**Posters:**

I put up posters for the TUD SU Merch Sale.

**Climate:**

On Climate Protest and in voluntary engagement with climate groups I continued to plan a climate Campaign for TUD SU. Furthermore I am currently planning a big Climate Strike that will take place on the third of March at 12pm at the Garden of Remembrance.

**Voluntary Engagement Advisory Board:**

The University is currently making an engagement Action plan and I emphasized that for engagement, it is important that students can earn money on their placements as it secures them financial security.
