**Key Points Since Last Meeting**

*Príomhphointí ón gcruinniú deireanach*

**Student Survey**

Student Survey is now live until the 6<sup>th</sup> of March. A lot of the work I have been doing the past few weeks has been planning for this campaign.

**Availability of results**

We have been in contact with different bodies in the university regarding the availability of exam results. Most students currently on payment plans are **unable** to view their results from semester 1. I have been advocating for a change in policy regarding this. I was in contact with USI, and their VP for Academic Affairs has been working with us regarding this policy change. I have been collecting data from other institutions to see what their policies are like, and I have been collating this data in a word document.

**SHAG**

I helped with SHAG activities including promotion, a SHAG stand in Aungier St, distributing condoms in Bolton St, and helping to host the sex quiz in the woolshed.

**Class Rep Casework**

I have been working on class rep casework such as the availability of COVID assessments on the library database, the price of lockers, insufficient lecture seating, and more. I have been flagging some issues to be raised at the relevant faculty boards.

**Individual Casework**

A lot of casework around accessing exams, appeals, Publish, and lecturer availability.

**LEAD Promotion**

I reached out to student leaders and asked them to partake in the LEAD award.
