

The Five Goals SAI For USI President

GOAL
01

Direct Action

No matter what the issue is I will make sure that as the President of USI together with the VP for Campaigns direct action and on the ground lobbying will happen with a prompt follow up action

GOAL
02

Team Management

I will ensure that as President the goals of the week set out by the team are fulfilled and that accountability is upheld. Role Reviews which are pending will also be completed.

GOAL
03

MO Relations

Communication with MO's will be improved. Information and support from USI will be improved with on-time response, accessible communication lines and a 2-day reply rule. Scheduled visits every week to each MO will also be introduced.

GOAL
04

Higher Education

Will continue to lobby for Affordable Accommodation, hybrid learning, Increased Funding for Student Assistance Funds in my position as a member of the HEA Board. Will also welcome any issues/suggestions from Further Education Institutions.

GOAL
05

Policies & Mandates

Will introduce a policy workshop for officers to provide training, will provide continuous updates with regards to the progress and update the policy tracker constantly.
