| Officer Position: <i>Seasamh an Oifigigh</i> | City Campus VP | Period of Work: <i>Treimhse Oibre</i> | July 1 st – October 13 th 2023 |

Key Points of work carried out since last meeting

Príomhphointí ón gcruinniú deireanach

Removal of DIT and DITSU related things from Bolton:

Bolton Street has been feeling like they were forgotten due to the amount of non-TUD related signage, working with different areas a lot of this has been fixed and more will be done to remove all non-TUD related signage.

Bolton Street Emergency Protocols:

Working with Health and Safety the outdated emergency protocols that were present in Bolton have been replaced and are now showing the correct information.

Common Rooms:

The Bolton Street common room furniture is currently being replaced and there will be additional furniture put in place in Aungier street as per a request filled by the SU.

Microwaves:

The college has provided 1 new microwave for Bolton Street Campus, there will also be a new microwave added to Rathdown house once there is a new plug socket installed (cannot use an extender as it poses a fire risk)

Canteens:

I have met with the canteen providers for all City Campuses and are in talks with how the Canteen can provide a better service for the students. The Canteen in Rathdown is now providing vouchers for students struggling financially and has agreed to one milk alternative for free (soy milk) as well as not removing people at non peak times and allowing students to eat their own home brought food, still more needs to be done but it is a start.

Emergency Food Vouchers:

I have been working with the different city canteens to provide emergency food vouchers for anyone struggling, so far 2/3 canteens have agreed and provided them. Working to secure all 3.

Coffee Vending Machines:

Working with the other CVPs there has been a lot of work into installing coffee vending machines in every campus so students can have cheaper coffee around the clock even when the canteens close.

Lockers in Bolton Street:

I have sent off a document to estates with a detailed plan for the removal and replacement as well as an increase to the number of lockers in Bolton Street.

Bins on Campus (GG):

I have joined the Green Campus Committee in hopes of providing more bin on campus as well as better signage on the bins for what can be put in them.

| Officer Position: <i>Seasamh an Oifigigh</i> | City Campus VP | Period of Work: <i>Treimhse Oibre</i> | July 1 st – October 13 th 2023 |

Bike Locations in BST:

I have made several attempts to move the bike storage location in BST to inside the courtyard as the current location is not suitable as well as storage for electric scooter as they are constantly being stolen.

Review of common room facilities:

Sound systems have been removed to make way for a new system.
