Key Points of work carried out since last meeting

Príomhphointí ón gcruinniú deireanach

These are the activities and initiatives I have undertaken since the last Council meeting.

Remembrance Day in Tallaght:

I participated in the Remembrance Day event held in Tallaght. This event was dedicated to remembering and honoring the students who passed away in the previous year and were parts of our student community.

EDI Access and Foundation Program Talk:

In collaboration with Abby and Nekesa, I attended an Equity, Diversity, and Inclusion (EDI) talk that was open to all international students. This experience allowed us to gain valuable insights into fostering a more inclusive and supportive environment for our diverse student body.

Timely Results for International Students Motion:

I have been actively involved in advancing the "Timely Results for International Students" motion. To further this initiative, I wrote a letter addressed to the academic team at TU Dublin, highlighting the importance of timely result for international students. I will continue to work towards the successful implementation of this motion for the benefit of our international student community.

TU Dublin SU & Dance Society Partnership:

Together with Amber and John, I represented the Student Union at an event organized by the Dance Society. This collaboration strengthened the ties between the SU and the Dance Society and also provided an opportunity to discuss and plan for future joint initiatives.

Culture Week:

I participated in a meeting with Ian and Abby to finalize preparations for Culture Week.
