Key Points of work warried out since last meeting

Príomhphointí ón gcruinniú deireanach

Hey Gays! This is my first officer report (and it's such a small window) so I wouldn't have as much as I would hope but I do have some points of note:

- **Talks with nonprofits: Discussions are being put in place for LGBTQ+ nonprofits to discuss and find common ground with the SU on certain issues and establish working relations. These discussions will be conducted by myself, VP For Welfare and Equality and the Welfare, Equality & Advice Lead. These nonprofits are noted of, but not limited to: LGBTQ+ Pride, Trans Healthcare Action, HIV Ireland, Belong To, ShoutOut, USI etc.**
- **Holistic Support of Transgender Students in TU Dublin Policy: Your SU President, VP for Blanchardstown Campus and myself have developed a policy in order to introduce proper care and resources for transgender/non-binary/gender diverse students. This implements the gender affirming care and resources for students on campus and the re-proposition of the T-Fund to name a few mandates in this new document.**

Hopefully this suffices for now and I will do more, with more time, in the future! (P.S. Stream Soñar by NMIXX)
