**Key Points of work carried out since last meeting**

*Príomhphointí ón gcruinniú deireanach*

These are the activities and initiatives I have undertaken since last Council.

**1. Liberal Arts Program Discussion:**

I have participated in a meeting regarding the establishment of a Liberal Arts program set to start in September 2025. I have contributed in the discussion with my feedback.

**2. Delayed Exam Results for International Students Motion Progression:**

On October 26th, I proposed a motion addressing the issue of delayed exam results for international students and it was successfully passed. Since then, I have been actively working to find a solution.

On Tuesday, February 13th, I had a meeting with the Head of Student Support and Well-Being to discuss strategies for resolving the delayed exam results issue. During this meeting, valuable insights were gathered, and my P.O.A. is to communicate with the international student body in TU Dublin all the important information they need when applying for the Irish Residence Permit.
