Key Points of work carried out since last meeting

Príomhphointí ón gcrúinniú deireanach

Academic Integrity Phase 2

Phase 2 of Academic Integrity will take place during RAG week and the AA team will be using RAG as a chance to get some data collection done on how students perceive Academic Integrity. This data will then be presented to the Academic Integrity WG in the university in a bid to encourage an environment of Academic Integrity. All graphics and social media posts will go up in March to allow space for the U Survey.

Access Awareness Campaign

I have been planning for the access awareness campaign. I am really excited to help my access family by giving them a spotlight to shine and encourage access students to become leaders and become the friendly face for 1st-year access students to look up to <3

Policy Tracker

I have been reviewing the policies under my remit and have been making plans on how to best use my remaining time in my position to help students and leave whoever is next in the role to start the year off right
