Key Points of work warried out since last meeting

Príomhphointí ón gcruinniú deireanach

Welcome to the last Student Council Meeting! I have really loved meeting you all this year and hope you get involved again next year! I feel incredibly grateful for being given the opportunity to represent you this year. I wouldn't have become an officer in the first place without the support of Brian and Louise, I am so glad you both convinced me to go for it, thank you both for your encouragement. Brian, you have been a tremendous leader, and I cannot commend you enough for all that you do to support our team and students. I have full faith in Shauna being the next incredible President following in your footsteps. I also wanted to thank my fellow amazing CVPs, Peter and Sheran. I had the privilege to work heavily with you both, I believe working with each other really strengthened the work we carry out each day. You are all such incredible individuals, personally and professionally. Not only am I grateful to have worked with you all but also to have met you. You all have strengthened my work and overall made this job a great one. Thank you to my lovely coworkers and the brilliant student councillors!

RAG Week: Worked in each of the events; getting pied by students (also Sheran and Shauna) making confectionary snacks and handing them out to students, collecting donations for Irish Cancer Society

Blanchardstown Transport: Met with USI President and VP Dublin Region to collaborate on transport campaign. Positive updates for those using the 139 service, it is now hourly 😊

Trans Healthcare and Support for Trans Students: The President and I met with TU Dublin Medical staff to discuss guidelines within TU Dublin health services in relation to transgender healthcare. I also met with students and the Admissions Senior Manager to ensure their preferred names will be used on student cards.

Re Fridge Affordable Food and Food Waste Project: I met with students and Student Volunteering Coordinator to discuss the feasibility of this exciting sustainable project

USI- AMLÉ Comhdháil: Attended Comhdháil in Sligo. I proposed the motion Transgender Healthcare (ROI) which was produced by myself and TUDSU President alongside UCCSU and USI VP Equality and Citizenship. This passed unanimously! I also spoke on BusConnects and the NTA motion which also passed unanimously! I am very excited to see the development based on these motions
