Key Points of work carried out since last meeting

Príomhphointí ón gcruinniú deireanach

Hello Councillors,

[Before I begin I want to apologise for the length of the report, I was out on leave due to running in the elections and with everything going on. It is mostly continuing work on previous projects instead of starting new ones.]

As we close the academic year of 2023/2024, I want to thank everyone for all the love and support they have shown me throughout the year.

To the other CVPs: I want to say thank you for all the help through out the year and all the fun times we had whenever we got the chance to hang out and all the hard work we put in as a group to solve issues regarding our issue filled campuses.

To Shauna: Thank you for keeping the vibes positive and for all the work you have done through out the year for Academic Affairs and here's to the next year with you as president leading the charge!

To Ian: Thank you for all the amazing events and the support you showed me as you had a lot more knowledge and experience in the SU.

To Louise: Thank you for all the help and support you showed me throughout this year and for pushing me to go for the SU in the first place! Without you there would not be me in this job!

To Nekesa: Thank you for all the laughs we have had all year and for listening to my pointless rants about random things! I hope you have a great time in the future no matter where you are!

To Brian (The Bossman): Thank you for pushing the SU forward and for helping me out through out the year and being a great leader and making sure the SU is going in the right direction at all times. I will make sure your legacy lives on in the SU next year and make sure the SU lives up to your expectations.

To The Staff: I LOVE YOU ALL
