

TU Dublin SU Newsletter

December 2023

My name is Peter McCann, and I am your City Campus Vice President.

I am the officer responsible for facilities and the general upkeep of the campuses across the city, which include Aungier Street, BIMM, Bolton Street, Linenhall, and Grangegorman. This means ensuring that everything around these campuses is working, and the facilities are up to date. I also help execute campaigns and events on City campuses; you might remember seeing me handing out ice creams during Freshers Fest!

Some of the changes I facilitated include the addition of sockets in Rathdown that allow for more microwaves to be used, working with the building manager to replace the couches in Bolton Street, and replacing the water fountains. I also worked with the SU President to ensure more seating for Grangegorman.

My favourite part of the role is being able to see actual changes to the facilities and witnessing quality-of-life improvements for the students across all City campuses.

Contact me at City@tudublinsu.ie if you ever need something around the city campus fixed or updated!

Have a good Christmas break, from me and all of your TU Dublin SU Officers!
