Position Contested: Vice President for Events

Hi!

My name is Jessica Morris and I'm running for the position of Vice President for Events in the upcoming DIT Students' Union Elections!

I currently reside in Cathal Brugha St in a course called Baking and Pastry Arts Management. It is my 3rd and final year in this course but my 5th year in DIT.

When I first started in DIT, I didn't really get on with my course, so decided to branch out and I found the Students' Union. I began to get involved in Student Council, Class Rep Meetings, Welfare Crew and Ents Crew. Ents Crew is where I began to make real friends, and began to see what the Students' Union was all about.

I then became a School Rep and then ran twice for the position of College Officer in Cathal Brugha St, which I'm in my second term now. It is safe to say that I do really live and breathe all things DITSU, which is one of the reasons I have decided to run for this position.

There are many other reasons, I want to create events that students will remember for the rest of their lives and I want to create events that are wanted by students.

My three main focuses will be

- Cheaper BYOB events – students love cheap events and BYOB is always an added bonus!
- Crazy RAG events – we've had head shaves, abseils and even SKY DIVES and I want to continue building on that crazy RAG repertoire and raise more and more money every year!
- Grangegorman Festival – Grangegorman is the end goal (apparently) but I think we should be using that space as much as possible, so I would love to run a lil mini Festival on the site in the second semester with live local music from DIT, with local stalls, Clubs and Societies involved too, and an Outdoor Cinema to finish off the year!

Ents Crew are a HUGE part of all of these processes and we need to work together to create the huge events and little events and everything in between to ensure students have the best time they can have in college! Ents Crew is a group of extremely hard working and creative people that help the Events Officer along the way and this group

is something I want to build on so that everyone involved can leave DIT knowing how to run their own events!

Ents Crew and the DITSU Events have always meant something to me, and some days they kept me going in college more than others, and I want to be able to do that for students. I want to reach out to those everyday students who might not necessarily get involved but enjoy alcohol free events like Speed Friending and Celebrity guests! So on the 27th, 28th of February and the 1st of March, I'm asking YOU to VOTE #1 for Jess Morris for the position of VP for Events! If you see me around, ask me questions, tell me what you want for next year and lets work TOGETHER to create amazing involving money raising events!

p.s. enjoy this lil pic x
